A TEUTONIC JOKE.

Here is a Teutonic joke, for the French to crack. It is in the shape of a conundrum, in circulation in Germany. It begins: "Wie tief ist Frankreich gesunken?" (How deep has France fallen?) and the answer is invariably, "Drei fuss." (Three feet.) Then comes the second part of the conundrum: "Wer hat die Schuld daran?" (Who is to blame?) Answer: "Esther hat sie." (Esther has it.) It is a little heavy and complicated, but it isn't bad, is it?—Burlington Hawk-eye.

KODAKS.

You are told that "there is no Kodak but the Eastman Kodak." We handle only Eastman Kodaks. Their goods are a guarantee of quality. We have them from \$5 to \$35, and whether you buy the lowest priced instrument or the highest, they will be found just as representative. Kodaks make the best of Holiday Presents, acceptable to either sex.

FILMS.

Eastman Films are good Films. That is the reason we handle them exclusively. You will always find our Films fresh, and fresh Films insure the best work.

Developing and Printing.

Many amateurs enjoy the work of developing and printing. There are others who have not the time or inclination to do the work themselves. We make a specialty of this branch of the Kodak business. Our customers are kind enough to say we turn out better work than they get elsewhere. We take pride in this department of our business. Every Film developed carefully. If our photographer finds you are making mistakes he will correct you. That's a very important advantage. Let us show you what we can do.
